Dear Rafael:

I wanted to take this opportunity to thank Regency Pool & Spa and especially you for the quality pool you have built for us. I felt comfortable working with you from the beginning and as the pool progressed, my comfort level increased. Needless to say, we are extremely pleased that the pool was finished ahead of schedule and just in time for the summer. As you can imagine, our three boys are in the pool every day cooling off during the current heat wave. Again, we appreciate your time, effort and service. I will certainly recommend Regency to others.

Sincerely,

John H. Gregory
